Please see your New Home Consultant and home purchase agreement for actual features designated as an Everything's Included feature, additional information, disclosures, and disclaimers relating to your home and its features. The specific features in a home may vary from home to home and from one community to another. We reserve the right to substitute equipment, material, appliances and brand names with items of equal or higher value, in our sole opinion. Color and size variations may occur. The prices of our homes, included features, and available locations are subject to change without notice. Lennar's automated homes are built according to the Wi-Fi Alliance's program guidelines for Wi-Fi Certified Home Designs. See the Wi-Fi Alliance's website at www.wi-fi.org for additional information regarding the Wi-Fi Certified Home Design program. The Wi-Fi Alliance also certifies home designs after review of a home floor plan which may occur after your closing. Wireless performance in homes will vary due to design changes, construction changes, placement of furnishings and appliances, usage, and local conditions. Network performance will be affected by network configuration, the number of users and the type of use. Homeowners are responsible for providing their own Internet connection and determining their own bandwidth needs, which may vary. Lennar does not guarantee that networks, equipment or services will meet all homeowner needs. Homeowners are also responsible for configuring all security features. Lennar does not warrant or represent that any network or network device is secure or can prevent all privacy intrusions, malware, or cyber-attacks, even when correctly configured. Certain products and services are provided by third parties, and not Lennar. Lennar does not guarantee any equipment or services provided by third parties. Additional disclosures and disclaimers relating to The Connected Home program will apply. See your purchase agreement and related disclosures for details.
